

**You serve the public interest.
We're here to look out for yours.**

With great power comes great scrutiny — Today, more is expected from government entities, so no one is more dedicated to offering smarter, cost-effective solutions than the experts at Maner Costerisan. We're deeply connected with the Michigan government and have hands-on experience working at every level. This experience empowers us to offer proactive solutions, going beyond just compliance maintenance. Our team knows how to help you get the most of tight budgets and manage talent shortages while staying on top of the shifting laws, rules and regulations. Whether as a long-term partner or short-term resource, we're here to step in and help make any department stronger, so you can give your best to working for the public good.

Those working for the public can count on our best people.

Maner Costerisan's dedicated Government team delivers an unprecedented level of support where you need it most. You'll get guidance from partner-level staff, along with hands-on help proven to lower costs and elevate performance. When every dollar matters, trust Maner to get the job done.

Outsourced Accounting Solutions

From day-to-day accounting support to filling a CFO role, we can supplement your dedicated accounting staff with a team of experts. It's the proven way to lower costs and minimize disruptions to daily operations -- all while staying compliant and implementing data-driven financial strategies that can secure a bright future for your municipality.

Technology

When every recourse is precious, the right technology makes all the difference. Our experts can help you customize, implement and maintain technology that streamlines your accounting, improves communication across departments and delivers actionable financial analytics for better decision-making — all while upholding the highest level of security.

Defined Benefit & Contribution Plans

Managing and growing a large asset pool like a government entity's retirement plan is a huge responsibility. Which is why we bring decades of skill and experience to the job — considering countless factors from investment volatility to your fiduciary obligations. Working with our team helps reduce your liability and potentially lowers costs and fees, while giving your employees more choices and control.

Audit & Assurance

When you work for the public, financial transparency and accuracy are essential. We'll complete an independent review of financial statements and provide a detailed report that confirms the reliability of your data — protecting you and the trust of the people you serve.
